## OUR FACILITY

Our surgeries are performed at our 6,400 square foot medical facility in Broward County. The facility provides a state-of-the-art outpatient complex designed for the most advanced techniques in Cosmetic Surgery. In order to maintain the utmost in patient safety, the center is fully accredited for surgery by the Accreditation Association for Ambulatory Health Care (AAAHC). For patient convenience we can recommend postoperative home care with independent, highly trained staff. Transportation and hotel accommodations are easily arranged for out of town patients.
