

Roger A. Orsini, M.D., 56, serves as a Class II Director of the Company and a Director of the Bank from its organization in 1991 until 2002 and presently serves on the Audit and Technology Committees.

Dr. Orsini is a plastic and reconstructive surgeon and has been in solo practice in Easton, Maryland since 1985. He is the owner of Shore Aesthetic and Reconstructive Associates, a general plastic surgical practice which includes aesthetic surgery, hand, head and neck surgery, maxillofacial, microvascular and pediatric surgery. He received his Bachelor of Science degree from Georgetown University and pursued graduate studies in physiology, including marine biology at the University of Connecticut.

Dr. Orsini received his medical degree from the Medical College of Pennsylvania, then served his internship at Presbyterian-University of Pennsylvania and went on to complete his surgical residency at Thomas Jefferson Hospital, both in Philadelphia. He then completed a fellowship in plastic and reconstructive surgery at the Hospital of the University of Pennsylvania.

Dr. Orsini has been a member of the medical staff at the Memorial Hospital at Easton since 1985, where he has served as Chairman of the Tissue Review Committee and served on Rehabilitation, Cancer and Utilization Committees. He also completed a year-long physician's management course sponsored by Memorial Hospital of Easton.

Dr. Orsini is a member of the American Society of Plastic and Reconstructive Surgeons and serves as a member of the National Technology and Research Grants Committees. He is also a member of the Talbot County Medical Society, the American Medical Association and the American Cleft Palate-Craniofacial Association. He is licensed to practice medicine in the state of Maryland. He was the chairman and coordinator of the Eastern Shore Cleft Lip and Palate Team dedicated to provide care for children with cleft and craniofacial deformities and was Head/Chief of the Department of Surgery at Memorial Hospital in Easton. He is a Board Certified member of the American College of Surgeons as well as a member of the American Society of Laser Medicine.

Dr. Orsini was a member of the Coalition of Ambulatory Care for the State of Maryland and was the former head of the Governor's Task Force to Care for Eastern European Refugees. He is a member of the Talbot Country Club, is the Medical Advisor and was elected the Chairman of the Board of Advisors for the Center for Integrative Medicine.

Dr. Orsini received his MBA from the Johns Hopkins Carey School of Business and serves as an adjunct faculty member

as an instructor in the Carey School of Business. He also is the physician executive, medical advisor and consultant for Sage-Growth Partners, a health care consulting firm.
